General Education Subcommittee

Minutes 20 November 2009

THC 310, 8:30 AM

Present: Anderson, Bagwell, Lawson, Marquardt, Neff, Motro, Price, Williams

1. The Subcommittee discussed the following issues concerning the revisions of Models A and B.

   ● Combining Literary Studies and Historical Studies into one FOS. Unresolved.
   ● Retaining separate Oral and Writing Competency (in addition to those in FYS) in both models. The consensus was to retain.
   ● Presenting a model based on a revised FOS model and an AOS (in addition to the default current FOS model) to the faculty for consideration. The consensus was to do so.
   ● The addition of a Social and Behavioral Sciences AOS. The consensus was to add.
   ● Separating the second language requirement from the remaining portions of the general education models and having a separate faculty vote on second language alone prior to considering the remaining portions of the general education models. The consensus was not to separate the second language requirement from the remaining portions of the general education models.

2. The Subcommittee will meet for breakfast in the Dining Hall on Monday, November 23 at 7:30 AM to further consider model revisions.
