The Richmond College and Westhampton College Student Affairs Committees (RCSAC and WCSAC) met five times during the 2001-12 academic year. The purpose of these meetings was to hear from students representing organizations hoping to be recognized as official University student organizations. The RCSAC and WCSAC approval is preliminary, meaning all organizations approved by the committee are subsequently brought before the faculty for final approval.

Organizations Approved by Committee and Faculty (6)

Minority Association of Pre-Health
